

Swiftvision Max

Modern Video Intercom and Access

Model: SL-SV-10

Swiftvision Max is built for a premium, high-visibility entry experience with a larger-format touchscreen—ideal for main entrances and high-traffic properties. Built on Swiftlane’s proven intercom technology, Swiftvision Max enables flexible, customizable entry workflows for residents, staff, and visitors across a wide range of property types.

Highlights

- Face recognition touchless door access
- Multi-tenant video intercom
- Multiple unlock options— Face unlock, remote & bluetooth mobile unlock, PIN, key fob, voice commands
- Large touchscreen for a premium, high-visibility entry experience
- Visitor and package delivery access
- Mobile + landline intercom calling
