Swiftvision Pro

Modern Video Intercom and Access

Model: SL-SV-7

Swiftvision Pro is designed to deliver a modern, intuitive video intercom and access control experience with a mid-size touchscreen—balancing a larger on-device experience with a streamlined footprint. Built on Swiftlane's proven intercom technology, Swiftvision Pro enables flexible, customizable entry workflows for residents, staff, and visitors across a wide range of property types.

Highlights

- Face recognition touchless door access
- Mid-size touchscreen for optimal visibility & usability
- Multiple unlock options— Face unlock, remote & bluetooth mobile unlock, PIN, key fob, voice commands
- Multi-tenant video intercom
- Visitor and package delivery access
- Mobile + landline intercom calling
